From The Co-Principals

We are delighted to inform you that Collingwood results continue to break records! In 2016, more GCSE grades were achieved at A*/A which broke a record set in 2009! This is all the more pleasing as the increase in rigour within exam papers requires students to gain more marks to secure top grades.

- 70% or 218 students achieved an A*-C grade in English and Maths
- 67% or 210 students achieved 5 or more A*-C grades including English and Maths
- 77% or 240 students achieved 5 or more A*-C grades
- 27% or 86 students achieved 5 or more A*/A grades including English and Maths
- **32% of all GCSE grades (1038 entries) were at A*/A, which was a personal best**
- 38 students achieved 10 or more A*/A grades
- 8 students achieved 14 or more A*/A grades
- 73% achieved an A*-C grade in Maths
- 85% achieved an A*-C in English which was an increase of 4% on 2015
- 71% achieved an A*-C in at least 1 Science
- 63% achieved an A*-C in at least 2 Sciences
- 28% achieved an A*-C in 3 Sciences

As parents you will know this represents an incredible amount of hard work and commitment from our students and we are all extremely proud of their achievements.

Results for the Sixth Form continue to be outstanding with 57% of grades awarded at A*-B for A level or Distinction*/Distinction for BTEC. All the students who wanted a university place were successful.

The students who took exams at the end of Year 10 achieved excellent results with the RS short course achieving 71% A*-C and performance for the ablest studying Statistics was strong with 91% A*/A.

The students who took a one year course in Year 9 were rewarded with some very good results too. As a consequence, more than 67% of the current Year 10 cohort already have a qualification graded C or better and we know that even more will be able to build on this success in the future.

At Collingwood we are committed to developing responsible, aspirational, independent, happy and well-rounded young people but the curriculum must ensure that all students are able to follow a suitable range of courses so they can enjoy exam success. In 2016 96% of students achieved at least 1 A*-C grade.

2017 will bring more challenges for schools with new GCSE specifications and grading on a 9 to 1 scale for English and Maths, as well as new A levels. However, we are driven by our desire to ensure that students leave Collingwood with the appropriate qualifications to access their chosen career path and the personal skills to make a valuable contribution to society. Despite changes to performance league tables we will continue to maintain a strong focus on maximising the number of students who can pass 5 good GCSE subjects, including English and Maths and 3 A level or BTEC subjects in the Sixth Form.

Karen Griffiths and Eden Tanner
