

HARLEY REACHES WATERSKI WORLD CHAMPIONSHIPS

Harley Coster (9H) has been chosen to be part of the GB Waterski Team for all three disciplines and has been invited to attend the World Waterski Tournament in Canada from Saturday 27 July to Sunday 4 August 2024.

Waterskiing is not an Olympic sport as yet, but this event is their version and happens every two years. The World Tournament has the best skiers from all countries, and all are exceptional skiers. To make it even more challenging for Harley, he is skiing in the next age category as an U17's skier, which means that he will ski at different speeds from his usual U14's category.

Harley recently attended a GB training squad trip to America and his talent was identified as a future World Champion. Harley manages to balance his love of waterskiing, training and school work to a high level and is, this week, training with the U17 GB Team in Lincoln.

We wish him all the very best this summer. His family and Collingwood are unbelievably proud of what he has done and his potential is very exciting.

Mrs Goggix - Year Manager - Year 9

DOES YOUR CHILD SUFFER FROM HAY FEVER?

We are beginning to see more students in first aid suffering with Hay Fever.

Please Note – We do not supply antihistamines in College.

If your child suffers from Hay Fever, can you please ensure that they take their medication before coming to College. We can, however, hold your child's own medication in College. Please hand in to Barossa or Kingston Reception along with a completed Parental Agreement to Administer Medication form, which can be found on Edulink – Noticeboard – Forms.

Many thanks.

ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

ROAD SAFETY

We are seeking some assistance with regards to student safety and being considerate to our local community at our drop-off and pick-up times.

Firstly, can we ask you to impress upon your child the importance of sticking to the pavements when walking to and from school, and when crossing the A30 to use the footbridge. When we have staff monitoring this area we will always insist that students use the footbridge, but we cannot be there at all times. As you will probably be aware bridges are only constructed over busy and dangerous roads. This is for the children's safety and they ultimately should be using it.

Furthermore, can we ask that drivers are particularly mindful of our local residents especially in the following roads and locations:

Wimbledon Road, Mitcham Road, Sutton Road, Carshalton Road, Ballard Road, Kingswood Close, Dene Close, Maultway North and Gibbet Lane.

If you are dropping off or picking up your child and use these roads to park up, please do your best to avoid blocking a driveway or using one to turn around. We have a wonderfully co-operative relationship with our community as we do with our parents and wish for those relationships to remain positive and collaborative in nature.

Thank you for your continued support.

Mr San Emeterio - KS4 Progress Leader

EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the summer 2024 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you do not have your certificates when you need them in later life, the exam boards can provide a replacement statement of results but it is very costly.

Enjoy the outdoors but 'be tick aware'

Ticks can transmit microbes that cause infections such as Lyme disease or tick borne encephalitis.

Being tick aware by using the following information can help to reduce the chance of tick bites and of being infected:

- you could be exposed to ticks whenever you spend time outdoors, including when in your garden or the local park
- ticks mainly attach to animals, but sometimes they may bite you, your family or your pets
- you can reduce the chance of tick bites by walking on clearly defined paths, using insect repellent and performing **regular tick checks**
- ticks can bite anywhere on the body, including in your hair. More than one tick can be attached to you at a time
- some tick bites can result in infection, so it is important to remove ticks safely and as quickly as possible
- the safest way to remove a tick is by using a pair of **fine-tipped** tweezers or a tick removal tool
- if you begin to feel unwell with flu-like symptoms, persistent headache, confusion or develop a spreading circular red rash (which usually appears within 1 to 4 weeks after being bitten), **contact your GP or NHS 111 promptly**. Mention if you were bitten by a tick or have recently spent time outdoors

Students hoping to start undergraduate courses in 2025 will be able to see the grades that recent successful applicants have achieved at A-level or equivalent. Universities already publish entry requirements for courses but they can be flexible and let students in with lower grades. The Universities and Colleges Admissions Service (UCAS), which is making the changes, said nearly half of applicants were admitted with lower grades. UCAS said the change would help students make “informed, ambitious choices” and give them confidence in their applications. Read more here.

UCAS will remove the application fee for students in receipt of free school meals. Read more here.
