A Level Spanish (AQA)

Knowledge of a foreign language will vastly increase your chances of employment and international mobility. Our Spanish course develops language skills and explore topics such as popular culture, media, youth issues, cultural identity and social issues within the context of the country. Background studies include a film and a piece of literature or a period of history. Lessons are conducted in the foreign language and involve reading, discussion, listening and pair work. The department offers foreign trips designed to enhance language skills and provide insight into the country visited,

What skills will I develop ?

Besides the usual skills of reading, writing, listening and speaking, you will also extend your knowledge of grammar and vocabulary.

General skills include essay writing, listening and debate, research, text analysis and independent study skills.

Over the course of your A Level, you will obtain a wide range of general knowledge on topical issues and gain an awareness and appreciation of Spanish culture.

What will I study ?

Social issues and trends:

- Modern and traditional values
- Cyberspace
- Equal rights
- Immigration
- Racism
- Integration

Political and artistic culture:

- Modern day idols
- Spanish regional identity
- Cultural heritage
- Today's youth, tomorrow's citizens
- Monarchies and dictatorships
- Popular movements

One text and one film, or two texts from a selected list of works.

What does the exam look like ?

Paper 1: Listening, Reading and Writing

Where does the course lead ?

Due to the wide range of language and study skills acquired during the course, A Level Spanish is a highly regarded qualification among university admission tutors. It combines well with business, humanities, arts and even science courses. Of course, A Level Spanish is the requirement to read Spanish itself at university. Competence in Spanish is a distinct advantage for anyone who will work in an international context or have contact with Spanish speakers across the globe.
